## Accelerate Wichita

To support the region's entrepreneurial ecosystem, the Partnership provides support to Accelerate Wichita (formerly the Entrepreneurship Task Force), which focuses on identifying, activating and mentoring an entrepreneurial ecosystem.

Accelerate Wichita has a vision to build and support an inclusive, globally competitive, and impactful entrepreneurial ecosystem creating sustainable long-term growth for the Wichita region through job and wealth creation.

A key accomplishment of the Entrepreneurship Task Force (ETF) was the launch of the first entrepreneurial accelerator in Kansas – e2e, now named NXTUS. In 2015, ETF launched a planning committee that took the necessary steps to open the independent entity. The Partnership now partners with NXTUS to cultivate the entrepreneurial ecosystem by activating, accelerating, and mentoring entrepreneurs in the heartland.
