  - Vaccine information
  - If you are a business and would like to offer support/donations to keep our public safety and healthcare workers safe, let Sedgwick County Emergency Management know. They are seek-ing:
    - Protective face masks: FDA/NIOSH approved N-95 or surgical masks
    - Non-latex, medical gloves
    - Hand sanitizer
    - Surface cleaners
    - Non-permeable/fluid resistant gowns
    - Nasopharyngeal specimen collection – swab and viral transport medium
  - Contact Sedgwick County Emergency Management at (316) 660-5959 to donate.
