

THE VALUE OF LOW OPERATIONAL COSTS

The Greater Wichita region's business friendly environment translates to few fiscal obstacles for businesses. Whether your company is looking to move into an existing office or would like to build new, the Greater Wichita region offers low commercial lease rates and construction costs that fall below national averages.

> "The greater Wichita region's combination of low operational costs and highly skilled talent positions businesses for success and provide more long-term stability than other cities."
>
> — Andrew Nave, Chief Economic Development Officer at the Greater Wichita Partnership
