

RENO COUNTY

Located northwest of Wichita, Reno County is a vibrant, thriving community where small-town values meet big city innovation, entertainment, recreation, and opportunities.

Reno County focuses on four main target industries: healthcare, manufacturing, retail, and technology with businesses like Siemens Gamesa, Dillons Food Stores, Collins Bus Corporation and Tyson Prepared Foods.

Comprised of hardworking people who are dedicated to the mutual success of all residents, Reno County is an excellent destination for any business looking to grow.

Located in the city of Hutchinson, **Hutchinson Community College** offers 75 areas of study to more than 5,000 students. The college is well-known for producing hardworking talent with over 50% of graduates coming from career and technical programs.

Reno County is conveniently located at the intersection of four major highways: U.S. Highway 50, K-61, K-96 and K-14, making it easy to get anywhere in the country. Simply hop on the highway or make the short drive to Interstate 135.
