

## LET'S ALL BUILD WICHITA TOGETHER!

Thank you for taking the time to visit with our WSU, WSU Tech and KU students at The Partnership's Annual Meeting. Their heart is here in Wichita and, with your help, their future can be too. Further the conversation with Wichita's best and brightest by reviewing their resumes here and connecting with them.

Kaylie Aikins  
**Wichita State University**  
**Integrated Marketing Communications**  
[Resume](#) | [Email](#)

Kaylie Aikins is currently a senior at Wichita State University finishing her Bachelor's in Mass Communications with a minor in Business Marketing. In the spring of 2023, she will begin her Master's in Mass Communications master's program at Wichita State. Kaylie's passion for marketing and social media considers herself to be a marketing and social media whiz, who has worked as a Social Media Manager and content curator. When she isn't studying or working, she is going to cycle and Pilates classes, exploring Wichita's hidden gems.

Brooke Guy  
**Wichita State University**  
[Resume](#) | [Email](#)

Brooke Guy is a senior at Wichita State University studying strategic communication and is intent to graduate in May of 2023. She is a heavily involved student with a passion for public relations connection. She believes that learning is a life long journey and tries to live by that. She wants to join the public relations field within the sports industry after gaining some experience and earning her master's degree. Brooke loves dogs and often spends her days off volunteering through the dogs day out program. She is hopeful that she will soon be able to travel and explore all kinds of cultures, traditions and cuisines. Top locations on her list include Fukushima and Sweden.

Matt Daugherty  
**Wichita State University**  
[Resume](#) | [Email](#)

Alexander DeWerff  
**Wichita State University**  
[Resume](#) | [Email](#)

Alexander is a senior at Wichita State University and is majoring in Aerospace and Mechanical Engineering and Mathematics. He works at NIAR's Beech Wind Tunnel, where he has been working in the aerospace industry for the last three and a half years. A Wichita native and a professional athlete, he is also volunteering as a student ambassador and giving tours on campus as well as giving tours to prospective students and their families. Alexander enjoys spending time with his family, frequenting Fairmount Coffee, swing dancing, rock climbing at Bliss Climbing, and longboarding around town with friends.

**Wichita State University**  
Storm Dial **Biological Sciences Pre-Med**

[Resume](#) | [Email](#)

Storm Dial is a fourth-year undergraduate student at Wichita State University, Biological Sciences (BS) as well as minors in Public Health and Chemistry. He is a recipient of the Full-Ride Scholarship which provides Full-Ride scholarships to motivated Kansas students based on merit determination. This has allowed Storm to focus on his studies and engage in research. Shuai, Ph. D. he has been able to explore the field of genetic discovery and help with crop infections. Storm is also passionate about helping others achieve their dreams through various mission trips to provide aid to low income communities. In his free time, he mentors undergraduate students and volunteers at the United Way of the Plains. After graduation, he plans to attend the University of Kansas Medical School to pursue his dream of becoming a Physician.

**University of Kansas**  
Jonathon Hogge **School of Medicine**

[Resume](#) | [Email](#)

Jonathon Hogge is a fourth year medical student at the University of Kansas School of Medicine. He frequently volunteers at the student-run community clinic, JayDoc. Raised in South Kansas, he provides exceptional eyecare back to rural Kansas. When he isn't studying, he enjoys reading and playing video games.

**University of Kansas**  
Graham B. Pankratz **School of Medicine**

Crystal Septer  
**WSU Tech  
Business Administration**  
[Resume](#) | [Email](#)

My name is Crystal Septer and I am a WSU Tech student set to graduate in 2024 in Business Administration. I have been the Nursery Director at Bethany United Methodist Church, received a scholarship from the Soroptimist of Wichita in the Fall of 2022. I have also worked at the WSU Tech campus library, also in the Fall of 2022. I am very grateful that you

Eva Weber  
**WSU Tech  
Shocker Pathway Biomedical Concentrations**  
[Resume](#) | [Email](#)

Eva Weber is a Pre-PA, Biomedical Concentrations Major going to Wichita State University Tech. There she will earn 50 credits and finish a Pre-Physician Assistant (PA) program. Eva is an Honor student, the first Chair holder at Ascension via Christi St. Francis as a Patient Satisfaction Improvement Project for one semester to gain clinical hours and continue to pay for her

Reba Weber  
**WSU Tech**  
[Resume](#) | [Email](#)

Reba Weber is working towards becoming a Physician Assistant by attending WSU Tech's biomedical concentration. She is a member of Alpha Sigma Lambda honor society. Additionally, she is a student that strives to finish her bachelor's degree with no student loans.

Steffaney Willard  
**WSU Tech  
Criminal Justice**  
[Resume](#) | [Email](#)

Hello! My name is Steffaney Willard and I am currently attending WSU Tech for the Associate's Degree, I plan on working on my Bachelor's Degree in Criminal Justice. One of the things I am doing for those degrees is I want to work for the FBI as a Behavioral Profiler. If that doesn't work out, I would like to get a job at the CIA. In my free time, I play the saxophone, guitar, and spend as much time as I can. I'm glad to be of service.
