

FIND A PLACE TO GROW

Finding the perfect site is a critical step in the relocation or expansion process, and the Greater Wichita region offers many choices throughout our 10-county footprint. From shovel-ready sites to ready-to-go buildings, the region features available inventory and flexible, affordable real estate opportunities. Whether you are looking for a large-scale manufacturing operation site or an office in the heart of downtown Wichita, the Greater Wichita region is where to grow.

The **LocationOne Information System (LOIS)** is a database that contains up-to-date details on all available sites throughout the region.

Get started now to search for your perfect site:
