

MCI BPO TO OPEN A NEW CUSTOMER SERVICE CENTER IN WICHITA, EMPLOYING UP TO 500 KANSANS WITHIN TWO YEARS

Wichita, Kan. – Marlowe Companies, Inc. (MCI), a holding company for a diverse group of tech-enabled business services operating companies and customer experience cloud and software assets, will open a new location in Wichita for its BPO operating subsidiaries. MCI plans include hiring up to 300 full-time-equivalent employees in the first year of operation and adding up to 200 more in the second year.

“During our site location search we found a strategic talented labor pool and a real estate solution that met our needs in Wichita, making it a great fit to expand MCI’s footprint in the United States. Thank you to the Governor’s Office, Greater Wichita Partnership, City of Wichita, Sedgwick County, and the entire State of Kansas for the warm welcome, and for being pro-business,” said Anthony Marlowe, MCI CEO.

MCI employs over 5,000 employees, supporting 100+ diverse clients across North America through six distinct subsidiary brands. MCI has sixteen customer contact management centers in the U.S. MCI provides business process outsourcing and IT services for data processing, office administrative services, custom computer programming services, marketing consulting services and more.

In 2020, MCI was named by Inc. Magazine as Iowa’s Fastest Growing Company in the State of Iowa and also a top 500 “Fastest Growing Private Company” in the United States 15 of the last 18 years.

Driving modernization through digitalization, MCI ensures clients do more for less. MCI is the holding company for a diverse lineup of tech-enabled business services operating companies. MCI organically grows, acquires and operates companies that have a synergistic products and services portfolios, including but not limited to Automated Contact Center Solutions (ACCS), customer contact management, IT Services (IT Schedule 70), Cloud Hosting, Temporary and Administrative Professional Staffing (TAPS Schedule 736), Business Process Management (BPM), Business Process Outsourcing (BPO), Claims Processing, Collections, Customer Experience Provider (CXP), Customer Service, Digital Experience Provider (DXP), Account Receivables Management (ARM), Application Software Development, Managed Services, Voice Over Internet Protocol (VoIP), and Technology Services, to mid-market, Federal & enterprise partners.

“We are pleased to welcome MCI to Kansas. With 500 new jobs created within a short two-year time span, and a global book of business, MCI’s project is great news for Wichita and the Kansas economy,” Governor Laura Kelly said.

“Attracting new businesses like MCI provides job opportunities and options for our residents. We look forward to collaborating with MCI as they expand into Wichita and continue their trajectory of growth,” said Sedgwick County Chairman David Dennis.

City of Wichita Mayor Brandon Whipple congratulated the company stating, “I can’t think of a better way to leverage the real estate at Towne West than by activating it with new jobs for our community. Welcome to Wichita, MCI.”

MCI has located their nearly 35,000 SF facility at Towne West Square, bringing a net new capital investment of \$1.5 million. The company plans to open in April 2022 and is now hiring. Candidates can apply at <https://www.mci.world/careers/>. On-site and virtual training will be provided for new hires and includes instruction on products and services, systems utilization, customer service, tech-support, and/or account management skills.

“Attracting new businesses like MCI provides job opportunities and options for our residents. We look forward to collaborating with MCI as they expand into Wichita and continue their trajectory of growth,” said Sedgwick County Chairman David Dennis.

Tammy Nolan-Porazka, Vice President of Business Development for the Greater Wichita Partnership, applauded the collaborative efforts of community partners to realize the project, stating, "Working together is key to attracting a new-to-market global company like MCI, who brings not only jobs for our region but a global portfolio of out-of-state work – a significant win for our regional economy."
