

Greater Wichita
Partnership

LEVERAGING *Your Investment*

Your investment is a catalyst to ensuring our region's economic growth, its sustainability and its distinctiveness. Your investment matters.

We ALL Build Wichita.

152x

For every dollar invested in the Partnership, we've driven \$152 in capital expenditures in the region.

30x

For every dollar invested in the Partnership, we've helped drive \$30 of annual payroll for the region.

ATTRACTING AND RETAINING *Talent*

Members of the Partnership's talent, workforce development and community engagement team recently returned from Greenville, South Carolina, and Charlotte, North Carolina, to learn from local leaders about efforts to ensure economic mobility for their community, especially as a strategy to strengthen an internal workforce pipeline. The site visit was made possible through a planning grant from the Kansas Health Foundation for a local mobility plan in South-Central Kansas.
